This screenshot shows the client profile management section of the application. On the left, there is a sidebar with a user icon, navigation links for "Home", "Services", and "About Us", and a dropdown for "User name". The main area displays a user profile card with a circular photo of a woman, the name "Name", and the location "Tangier". Below the card are five input fields: "Nom complet", "Email", "Adresse", "Numéro de téléphone", and "Mes services". A green button labeled "Modifier le profile" is located at the bottom left of the card.

This screenshot shows the service history and payment status section. At the top, there is a header with a user icon, navigation links for "Home", "Services", and "About Us", and a dropdown for "User name". The main content area is titled "Mes Services" and displays a table of service records. The table has columns for "Service", "Date-début", "Date-fin", "Cout", and "Statut". The first row shows an entry for "Electrical Repair" from "2023-05-18" to "2023-05-20" costing "\$90" with a status of "Réglé". The second and third rows are partially visible, showing "Non réglé" status. A green "+" button, a blue search icon, and a grey circular icon are located above the table.

Service	Date-début	Date-fin	Cout	Statut
Electrical Repair	2023-05-18	2023-05-20	\$90	Réglé
Service	Date-début	Date-fin	Cout	Non réglé
Service	Date-début	Date-fin	Cout	Non réglé
Service	Date-début	Date-fin	Cout	Réglé

Rappel de paiement - Service XYZ

Nous espérons que ce message vous trouve bien. Nous tenons à vous rappeler que le paiement pour le service XYZ est toujours en attente. Votre satisfaction est notre priorité, et nous apprécierions grandement votre prompt règlement.

Voici les détails du service :

- Service : XYZ
- Date de début : [Date de début du service]
- Date de fin : [Date de fin du service]
- Coût : [Coût du service]
